MULTIPLES Notice the new style accessory high on charm and functionality. Vases, vessels and candlesticks grouped as single elements or with several pipe-like stuts and arms look super current. These three examples from Hemelhuijs, Ryan Matchett at Okha Interiors and Lladro. ■ Hemelhuijs ☎ 021 418 2042; Lladro 🌐 www.lladro.com; Okha Interiors ☎ 021 461 7233

Noble Metallics Look out for the new ways with copper, bronze, patinated pewter and brass, like these 'Eucalyptus' wall lights, the sleek metallic kitchen finishes by Rossano and bowls by Aldo Bakker made using modern technology and traditional lacquering techniques. This is about luxury that says craft, savoir faire and ultimately, considered choice. ■ Aldo Bakker 🌐 www.aldobakker.com; Rossano available at Eurocasa ☎ 021 421 8161; 'Eucalyptus' wall lights available at Ochre 🌐 www.ochre.net

VISIONARY #1 Kudos to Karen Roos for her brilliant new design focus at Babylonstoren - the garden, restaurant and hotel outside Franschhoek. Swoonful in every sense, endlessly interesting and uplifting, it's the perfect combination of cutting-edge and hard-core bucolic. Bravo. ■ Babylonstoren 🌐 www.babylonstoren.com ▶
